2003 BOATING SEASON NEWSLETTER

<http://members.rogers.com/prb1/>

## General

Welcome to the 2003 boating season. This newsletter is a summary of important 2003 boating season information, event dates and membership information. Please refer to the Boat Club website <http://members.rogers.com/prb1/> for additional details. Dock requirement information, club by-laws & a pennant will be provided to all new members. A current membership list will be available to all at the May General meeting, along with any other information that was discussed at our Directors' meeting. Please inform your Harbour Masters if there will be a delay, or you are not putting your dock in this year. Boat Club rules state; if you do not put a dock in, your space will be given to the next boater on the list. 24-foot boats are the limit acceptable for our river.

## River Mouth

- Bonfires are prohibited at the river mouth.
- Boats coming into the river from the lake have the right-of-way.

## Lake Huron Water Level

Water levels on all of the Great Lakes continued to decline during February. At the beginning of March, water levels on all lakes were well below their long-term average levels and much lower than they were last year. Water levels on all lakes, except Lake Superior, are also lower than they were at the same time during 2001. Lake Huron is 23 cm below last years level at this time.

## Guests

- Guest fee is \$10.00/day (Max.3 times/year)
- Members are responsible for entry, exit, damages, collecting fees & submitting them to the Treasurer.
