2004 Boating Season Newsletter General

Welcome to the 2004 boating season. This newsletter is a summary of important 2004 boating season information, event dates and membership information. Please refer to the Boat Club website <http://members.rogers.com/prb1/> for additional details. Dock requirement information, club by-laws & a pennant will be provided to all new members. A current membership list will be available to all at the May General meeting, along with any other information that was discussed at our Directors' meeting. Please inform your Harbour Masters if there will be a delay, or you are not putting your dock in this year. Boat Club rules state; if you do not put a dock in, your space will be given to the next boater on the list. 24-foot boats are the limit acceptable for our river.

Pine River Boat Club - Dock Information

Below is a sketch of dock sizes. The dimensions are to be followed for all NEW docks. New docks put into the river which do not adhere to these specifications will have to be removed by the member. Ministry of the Environment has approved these guidelines as part of our lease agreement for use of the water lots.

If there are any questions please call your Harbour Master.

North Side

South Side

Do not guess - It could be costly
