

Spring 2019 Newsletter

Welcome, this newsletter is a summary of important 2019 boating season information, event dates and membership information. Please refer to the Boat Club website (<http://www.pineriverboatclub.ca>) for additional items of interest. A new member information sheet, gate key, and a pennant will be provided to all new members. Please inform your Harbour Master if there will be a delay or if you are not putting your dock in this year. Twenty-four foot boats are the reasonable limit acceptable for our river. Channel depth varies over the season.

The On Time date for 2019 dues is March 31

Tips for tying up

A These are the normal lines most use to tie up.
Tying these lines too tight is a common error.
A seiche can use these lines to pull the legs of the dock up out of the mud or turn over the dock.

B Spring lines keep the boat from moving out past the dock or onto the shore

C Lines from the boat to shore reduce the strain of the boat pushing against the dock or pulling on the dock as water surges in or out of the river.

The new gate system.

The North and South properties now have a key card lock system installed as permitted by motion of the Fall General Meeting and approved by the Board. The locks are supported by solar power to maintain the battery. The key cards will be available at the Spring General meeting or from Dan or Gordon on exchange. Gord will not be available May 2-22.

Pine River Boat Club Incorporated

Previously earned shares that were not picked up at the Spring or Fall 2018 meetings should be in the mail to you soon. For an explanation of the share system review the 2018 newsletter on the website. There were eleven new shares earned in 2018. The active shares total is 266.

Be a good neighbour

Members are reminded that not all the waterfront that docks join belongs to the club. There are places on club property to store docks when removed. Several neighbours permit access through their property but do so out of courtesy. Members are expected to show courtesy or face the loss of access.
